In making this application I indicate my support for traditional Conservative and Unionist principles and my agreement with the objectives and aims of the Swinton Circle set out below

**The objectives and aims of the Swinton Circle include:**

- National Sovereignty
- Maintenance of the Union
- Support for the Commonwealth Realms
- Qualified and justified immigration rather than mass immigration
- Proportionate punishments for crimes, including the restitution of capital punishment
- Equitable taxation and greater accountability of public spending at both the national and local level of government
- The promotion of values and morals within a Christian framework
- The celebration of British culture as opposed to multi-culturalism
